

## Covid-19 Protocol

We at Ballet Arts are excited to be performing in the 39<sup>th</sup> annual production of Nutcracker! We are also concerned about the health and safety of our company and audience during these difficult days. To this end, we have established guidelines for ticket sales, Sweet Shoppe, Boutique and cleaning the seating area between shows.

- The Civic Center Covid-19 guidelines require all patrons to wear masks while in the Civic Center. The Civic Center is sanitized daily and will be sanitized between shows.
- We have built in social distancing in our ticket sales. When you buy tickets, you will see only every other row available for purchase. Also, the two seats beside your purchase will automatically be blocked for sale after you purchase your tickets. On the day of the show, we will be selling tickets at the box office but will be distancing and directing patrons to avoid large groups gathering together.
- In order to discourage the spread of Covid-19, we have decided to not have the Sweet Shoppe this year. We will sell bottled water only. We will have socially distanced lines and our volunteers will be wearing masks and gloves while serving guests.
- At the Boutique, we will also have socially distanced lines and our volunteers will be wearing masks and gloves while serving guests as well .

We appreciate your help in these areas as we try to do our part to keep patrons and Ballet Arts members safe.
